

Spring Nursery Curriculum Letter

Friday 24th May 2024

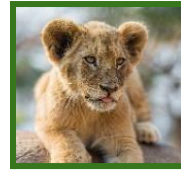

Growth and Creatures

Bear Cubs,

Fox Cubs,

Lion Cubs

We have had a really busy week releasing our butterflies and learning with our grown ups in our Learning Together Sessions - thank you to everyone who came to visit, we hope you enjoyed it!

Curriculum

We will be learning about pets and vets and what we have to do to look after animals. We will introduce the children to a new home corner, set up as a pet shop and vets practice.
We will look forward to the farm visit and finding out all about the animals they bring.

Literacy Communication and Language

We will share our holiday news (see rota below).
We will listen to stories about pets and vets.

Phonics

We will remind ourselves of all the sounds we have learned so far - **s a t p i n** as well as return to some of our favourite sound games to get tuned into sounds again!

Maths

We will make comparisons between the toy animals in the vets. We will learn how to order them according to size, we will compare the length, weight and height of our toys.

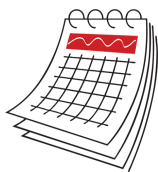

Physical Development

Development of ongoing skills such as:

- Start taking part in some group activities which they make up themselves, or in teams
- Choose the right resources to carry out their own plan. E.g. choosing a spade to enlarge a small hole they dug with a trowel
- Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks
- Make healthy choices about food, drink, activity & tooth brushing

Reminders

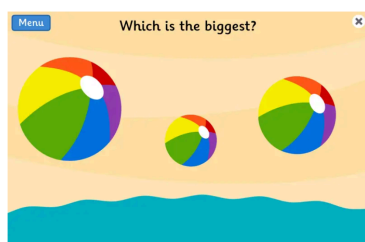

We are still hoping for any donations of spare knickers and socks or if you have any of our spare kit at home please can you return.
Spares Bags - we are finding a lot of the children's spares bags are rather depleted and many children do not have spare socks (one of the items we have to change the most). Please check your child's bag and top up with named spares.
Sunhats stay at school and sunscreen must be applied at home.

Learning at home

Self Care

This half term see if you can get yourself dressed on your own, see if you can brush your own teeth for two whole minutes and see if you can use a knife and fork when you eat your meals. You might even want to get some mealtime selfies which you could share at school to show everyone how well you have done!
