

Year 2 Curriculum Letter Autumn 2024 First Half-Term Week 8

BEAT BAND BOOGIE!

Week 8 Express	
<p>Express Music RHE</p> 	<p>The children will co-operate in small groups and use their plans for their marching bands. They will present their final performances of their marching band to their class and their link class in Year 1. Their Year 2 audience will use Thinking Hats to evaluate the performances.</p> <p>The children will talk about their learning this half term with a partner. They will explain what they have learned about musical instruments and marching bands. The children will reflect on which piece of learning they have enjoyed the most this half term and explain why.</p>
<p>English</p> 	<p>The children will take time to reflect on their learning this half-term, what they have enjoyed and what they have learnt. They will use conjunctions to extend simple sentences and noun phrases to add more description. They will use these ideas to complete the First Half Autumn Term part of their end of year report.</p> 
<p>Maths</p> 	<p>Numbers – Addition and Subtraction</p> <p>The children will continue to work on their adding skills using manipulatives as well as mentally. The children will use the partitioning method to add two, two digit numbers and apply this to solving problems.</p> 
<p>Physical Education</p> 	<p>The children will listen to and explore music from The Carnival of the Animals. They will explore the music and move like the animals to reflect the music and pace of each piece.</p> <p>The children will also develop their balance and coordination through daily independent challenges outside using large and small equipment.</p>
<p>Earth Awareness</p> 	<p>Sports Premium funding will enable the children to take part in Earth Awareness, one afternoon each week. The Earth Awareness sessions will be led by the Year 2 adults and will enable the children to further explore the school grounds with a particular focus on habitats and the creatures and animals they will find there. They will also think about how we can create suitable habitats for certain animals.</p>
<p>Religious Education</p> 	<p>The children will explore the features of a church and reflect on how they are used in Christian worship, during their visit to St. Mary's Church.</p>
<p>RHE (Relationship & Health Education)</p> 	<p>The children will evaluate their own learning skills and set themselves a 'next step' based on amazing learning criteria in Year 2.</p> <p>The children will also think about ways to stay safe when going out or when using the internet.</p>

<p>Wanted!</p>	<p>Thank you to everyone who has already contributed the items below.</p> <p>If you haven't yet contributed, we would appreciate it if every child could bring to school:</p> <ul style="list-style-type: none"> •A box of Tissues •A large Glue stick (white glue please) •A roll of masking tape <p>These items do not need to be named. Learning at home

- Regular reading at home is vital to sustain progress and liaising with staff through the Home/School Contact book (Blue Book) is invaluable to your child. Children are encouraged to read each night and then change the reading book each morning.
- Please share your child's weekly learning at home with them. The learning is given to the children on a Friday and should be completed and returned to school by the following Wednesday each week.
- Please share the ebooks allocated to your child each week on Phonic Bug.
