

Year 1 Curriculum Letter Autumn 2024 Weeks 11 and 12

Paws, Claws and Whiskers

Week 11 & 12 Develop

At the 'Develop' stage, children will improve their knowledge and understanding of the topic, develop and practise their new skills, compose, make, do, build, investigate and explore. They will also write and read for different purposes across the curriculum and follow new pathways of enquiry based on their interests.

Please continue to share family pet photos with us by emailing them to: office@beddingtoninfants.org.uk

Engage

Science Art

In Science we will be discussing different animal homes and habitats. The children will explore the school's outdoor areas and will then record and label the habitats they observe. During independent learning the children will be designing and constructing their own animal habitats using outdoor materials. We will talk about why animals live in certain habitats, we will also introduce the word 'hibernation' focusing on how and why certain animals hibernate in the winter.

In Art, we will be creating our own Christmas wreaths. We will be painting with our hands and then discussing our art.

English

In English we are writing the story *Where the Wild Things Are*. We will use our story maps to write a recount of the main parts. Some vocabulary you might want to practise at home: *Max, ocean, night, forest, grew, Wild Thing, wolf suit, day, mischief, vines, boat.*

We will then be planning an animal poem based on the book walking through the jungle. Our focus will be on **nouns, verbs** and **adjectives**. Some vocabulary you might want to practise at home: *walking, through, jungle, what, do, think.*

Please remember to read with your child each night and record the name of the book in your child's blue communication book.

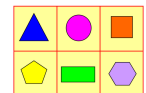

use

Maths

In Maths we will be recognising common 2D and 3D shapes. We will be using plastic shapes to help children visualise and understand each shape's properties. We will also be looking at 2D shapes' sides and 3D shapes' faces.

The vocabulary that the children will be using is 3D, 2D, cube, shape, sphere, cylinder, cone, prism, rectangular, pyramid, cuboid, triangular, square, triangle, circle, rectangle, rhombus, face, edge, vertices, symmetry, identify, describe and properties.

The following week our learning objective will be to compare the height and length of two objects. The children will have the opportunity to order objects from shortest to tallest, use a ruler to measure objects and correctly record measurements using centimetres (cms). The vocabulary that the children will be sharing is compare, length, height, shorter, shortest, taller, tallest, longer, longest, ruler, measure, record, centimetres and prediction.

Physical Education

We are continuing to use our Real P.E. programme this half term. Over next two weeks we will be focusing on ways to move our bodies, using story *The Birthday Bike Surprise*. The children will learn how to move quickly: side stepping, marching with high knees, kick backs or running. In Week 11 the children will be practising low balances: They will be balancing by moving 'heel to toe' across a low beam, stopping in the middle and either holding a balance on two feet or trying

the
the

to lift one leg.

Religious Education 	In R.E. we are talking about the celebration of Diwali and what it means to people who practise the Sikh and Hindu faith. The children will learn about ways to celebrate; through fireworks, lights and oil lamps. We will also discuss the reason for the celebration; the return of Rama and Sita to Rama's kingdom.
Relationships and Health Education (R.H.E) 	In R.H.E. we will be learning about similarities and differences. We will describe ourselves and talk about how we are similar to our friends. 
Wanted! 	As the weather is colder, please make sure all hats, scarves, gloves, coats and jumpers are named. Please make sure your child has a transparent, named water bottle at school every day.
Dates for the term 	Tuesday 26th and Wednesday 27th November: Independent Challenge Learning Together sessions. We are looking forward to you joining us at school for a morning or an afternoon to complete independent challenges with your child. -Friday 6th December: School Christmas lunch and parties -Tuesday 10th December: Year 1 Christmas production at 14:00 -Wednesday 11th December: Year 1 Christmas production at 9:30am -Year 1 will be sing Christmas Carols at Bridge House Care Home: Wednesday 18th December: Elephants and half Zebras Thursday 19th December: Giraffes and half Zebras -Friday 20th December: Last day of Autumn Term. School will finish at 13:30. Carol Service in St Mary's Church at 10am.

Learning at home

Below are optional, additional activities for you to complete throughout this half term.

- We hope you enjoy completing the home learning activities
- Regular reading at home is vital to sustain progress and liaising with staff through the Home/School contact book is invaluable to your child. Children are encouraged to read each night and change the reading book each morning.
- Share the online Phonic Bug books with your child.
