Friday 8th November

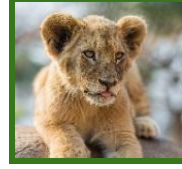

# Autumn 2024

Bear Cubs,

Fox Cubs,

Lion Cubs

The children have done so well this week, returning to school after their first break with a smile on their faces and the confidence to talk about their holiday fun! Well done to everyone, and thank you for sending in plenty of photos and props to help the children remember what they wanted to talk about.

## Curriculum

We will compare natural objects we have found during our Autumn walk and manmade objects we find in the classroom.

## Literacy Communication and Language

We will carry out lots of phonics activities such as going on listening walks, making shakers and guessing what creature or musical instrument might make the hidden sounds!  
We will be reading the story **Mouse Paint** which is about 3 cheeky mice who explore how to mix paints to create new colours, we will then practise mixing paints ourselves.

## Maths

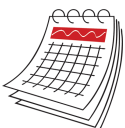

We will play **hide the teddy** in the garden and learn positional language such as **in, on, under, next to** and **inbetween**.

## Physical Development

Development of ongoing skills such as:  
Go up steps & stairs, or climb up apparatus, using alternate feet  
Use one handed tools & equipment, e.g. making snips in paper with scissors  
Use a comfortable grip with good control when holding pens and pencils  
Continue to develop their movement, balancing, riding (scooters, trikes & bikes) & ball skills.
