

Reception Curriculum Letter

Spring 2025

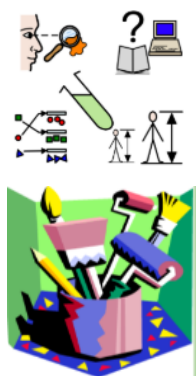

Friday 14th March

Build it Up!

Hedgehog Class, Jaguars Class, Kangaroo Class

Curriculum

In curriculum we will be doing a science experiment. We will be making a house out of different materials, predicting and seeing what will happen when a hair dryer is blown at it.

Our other main focus in curriculum this week is art. We will be using recycled materials to print a house on paper.

At home you can...

- Explore different materials - think about what ones you would like to use
- Design and label a house.

English Communication and Language

Over the next two weeks we will explore writing a set of instructions. We will pretend to be The Three Little Pigs and we will write instructions for building our house.

Phonics:

In phonics we will write and read words with the digraphs 'ar' and 'or'. You could practise writing the words: **shark park farm corn torn thorn**.

At home you can.....

- Play obb and bob at home
<https://www.phonicsplay.co.uk/resources/phase/2/picnic-on-pluto>

Maths

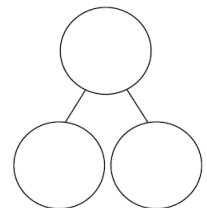

In Maths we are continuing to explore our number bonds to 10 and will be using part-whole models to support our understanding. We will use these in a variety of ways, including with objects and drawing amounts.

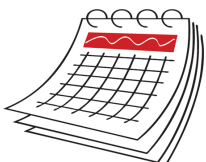

At home you can...

- Draw your own part-whole models and explore different ways to make ten e.g. $4 + 6 = 10$
- Listen to the Number Bonds to 10 song

Trips and Learning Together Sessions

DT Learning Together Session
 Tuesday 13th June
 There will be a morning and afternoon session. More details to follow.

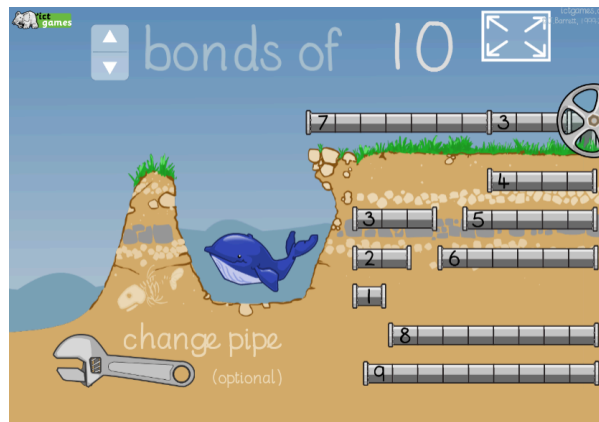

Reminders

Please make sure your child has a named sun hat that stays in school.

Small School Challenge

In Maths we have been learning our number bonds to 10. Test your knowledge with this fun game where you must save the whale!
